**GREAT ART,
GREAT
EXPOSURE!**

THE 7TH EDITION OF THE LOOK GALLERY GUIDE will be a handsome, five-color, professionally designed and printed brochure. In fact, the LOOK Gallery guide is a LGDA 100 Show Award winner for excellence in graphic design and most recently the LOOK Guide was recognized in a national design publication.

The Guide will be marketed to an upscale audience through the Convention and Visitors Bureau, Louisville International Airport, Kentucky Realtors Association, local shops, galleries, hotels and restaurants.

We expect to print more than 20,000 and distribute them primarily in downtown, the east end, and regionally with creative arts organizations.
